### **Public Invited to Participate in Budget Priorities Survey**

*Survey available in three languages; closes August 26<sup>th</sup>*

**(Edmonds - WA)** The City recently conducted a community budget priorities survey, which was administered by EMC Research to a randomly selected proportional sample of Edmonds residents age 18+. The goal of this survey was to gauge Edmonds residents' priorities and levels of satisfaction with city services.

That initial survey has closed, but we want to invite other members of our community to provide their input. This information will be useful in informing future conversations around the budget and the provision of city services.

This survey can be accessed online and is available in three languages.

English <https://www.surveymonkey.com/r/CQM7GV5>

Vietnamese <https://www.surveymonkey.com/r/ResidentSurveyVietnamese>

Spanish <https://www.surveymonkey.com/r/ResidentSurveySpanish>

This survey will close on August 26, 2024. Once the results are calculated, all survey data results will be shared with the public.
